We are committed to providing the highest level of member service of any entity in the United States. We will be the benchmark for all member service oriented organizations and programs. We have created democratic, fully nondiscriminatory Scout Programs which allow our Scouts an unprecedented level of choice to develop responsibility, good character, creative and critical thinking skills, and to live a life of purpose. We instill in our Scouts a desire to improve life-long, to help others, and a belief in something greater than oneself.

The sign on our office door reads, “This office belongs to the Scouts and members of Adventure Scouts USA.” Our Scout Programs are for our Scouts and members. We are created intentionally imperfect so our Scout Programs can evolve with their interests and improve to meet our members’ needs.

All our members are part of our “inner circle.” Most organizations have a hierarchical government. The President is in charge, then managers, employees…and you as a member or customer are so far down the list, we can no longer see you!

All Scouts and members participate on an equal par. We listen to everyone’s suggestions and we truly value them. Our Scout Programs would not exist without the participation and suggestions of our Scouts and members.

Our Scouts and members have ownership and are our advisors, and our family. In our Scout Programs, Scouts and members truly belong and what they say counts. Any ideas for improvement, great or small, let us know. We are here to serve you!
