

The Scout Movement, in its simplest form, provides activities which an individual finds appealing and relevant to their life, and which support the development of a way of living one's life and leading one's life. The Scout Programs of Adventure Scouts USA achieve these objectives by conscientiously developing Scout Programs that consider our Scouts as whole people. Character counts in the life of our Scouts and their lives are instilled with adventure and enhanced with a sense of wonder, and purpose. We offer challenging programs that our Scouts choose, organize, and lead. Our Scouts are inspired to develop a compass with which to lead their lives by their choosing to live their lives by our Scout Promise, Scout Code, and Scout Spirit and by their Giving their Best in all they do. Our Scouts are also inspired by our Team Counselors who similarly undertake to conduct their life by the same guideposts.
