

Welcome to the Star Savings Club! As a member, you are an example to youth everywhere. Be sure to read the Creed included in this packet and sign your name. You will also receive a Membership Certificate, a list of local banks in your area which are participating, a badge showing your membership, and more.

Signing the Star Savings Creed demonstrates that you are ready to earn the money you save and save the money you earn. It does not matter if you have saved a lot of money or a few cents; take your savings and go to a participating bank with your parents where they will sign you up for a Star Savings Account. Scouts who save 50 dollars, 100 dollars, or 200 dollars will receive a special prize. Also, expect birthday and holidays cards from Star Savings to you!

Thanks for joining the Star Savings Club!
