

All of our programs are age appropriate and encourage our Scouts to learn more about their friends and community, and to improve the bond of family. Some examples of our innovative Scout activities include: Making stuffed animals, building websites, creating comic books, basketball, skateboarding, cooking, producing videos, music or short films, building and racing soapbox derby cars, and much more.

Rising Star Scouts participate in camping and backpacking adventures, during which, the ratio of adults to youth is smaller. While our Team Counselors oversee the safety and welfare of our Rising Star Scouts, our Scouts choose, organize and lead all of the programs and activities of the Rising Star Scout Program themselves.

Our Team Counselors counsel our Rising Star Scouts, rather than telling them what decisions to make, thereby encouraging the development of good decision-making skills.
