

Our Scout Programs are not perfect and we do not expect them to be. In fact, by being imperfect, we have the opportunity to continuously evolve. We encourage suggestions and are always working hard to earn the trust of our members and of the greater community.

We kindly ask that all interested parties maintain an open mind and an open heart when realizing that we are creating modern programs for an open membership. Right now you can be a part of the future by supporting the Scout Programs of Adventure Scouts USA which are open to all. Working together we can all make a difference. So don't delay, join us today!
