Each of our Teams is encouraged to undertake community service projects which, as a Scout Program on a nationwide basis, have been chosen. This enables uniformity nationwide, and provides strength of purpose and draws additional attention to the endeavors we seek to support.

Each of our Teams is also encouraged to undertake local service projects of their own choosing. This enables each Team to develop relationships which offer additional pride since the choice of the undertaking is further personalized.

Examples of Adventure Scouts USA Nationwide Scout Community Service Projects include:

* Adventure Scouts USA Hometown Hero Day 

* Adventure Scouts USA Honor Day

* Recognition and distribution of information saluting Hometown Heroes including those who have locally made a difference

* Adventure Scouts USA Adopt a Block Program

* Bicycles Changing Hands Day

* Making and sending Scout Thank You Cards to all Soldiers currently serving in Afghanistan and Iraq

* Website Service Project

* Recognition and distribution of information saluting all Veterans and those currently serving in the Armed Forces as Hometown Heroes

* Placing Flags near Veterans Graves
