

The Scout Programs of Adventure Scouts USA are FUN!

There are several other Scout Programs or Scout Organizations even here in the United States of America. Many youth and adults wanted to join and were refused or their participation was not valued. They wanted to spend FUN times with their friends, and help others, but were denied the opportunity to do so. The Scout Programs of Adventure Scouts USA were created to encourage more participation in the worldwide Scout Movement.

The Scout Programs of Adventure Scouts USA permit all to experience the fellowship and adventure of the Scout Movement, here in the United States, on a co-ed, modern, inclusive, non-discriminatory basis.

The United States of America was founded upon the principles of democracy, equality, fair play and freedom. The Scout Programs of Adventure Scouts USA act according to these values and our Scout Programs are open to Every Child, Every Family, Everywhere
